VII. Coaches Report

- If the weather is good, students will practice outside.
- The boys, including 8th graders, need to wear cleats and keep them in their lockers.
- On Mondays, Tuesdays, and Thursdays, the 8th graders will continue to work-out with the high school players.
- Helmets will be issued the week of May 22nd – 26th. If students are not available this week, other arrangements will be made to assign helmets.
- Spring Ball begins on May 30th. Players will need helmets and cleats.
- If a player uses his own helmet, it must be certified for the 2023 season.
- Spring Fling and Golf Outing – We always get enough people and baskets. It always works out. Keep the faith.
- Story of the Season – We will be reviewing the contract for media during the season. They offer weekly posts and graphics. Our ultimate goal is for ad sales to pay for the service. We are researching packages to allow companies/individual(s) to buy an ad for the program as well as having their ad to appear in Story of the Season. We hope to firm up our decision by next month's meeting.
- Returning players have shown a great commitment and attitude towards offseason conditioning.

- Eighth graders are adapting well to the practices and interacting with the older players.

V. Adjournment

The meeting was adjourned at 8:20 PM (motioned by Liz Pirain and seconded by Bill Engel).

Respectfully submitted,
