- Thank you to all the players and their families for making the sale of coupon cards a huge success. A gear package is being put together.
- Parents are encouraged to download the Sports You app. This is a great opportunity to receive up to date information from the coaching staff.
- Pasta Dinners have a theme each week. The theme for the first Thursday is "The Tradition Continues." The theme for the following two Thursdays will be Mom's Night. The team dinners are a huge part of the USC culture. The focus is on team building and facilitating bonding moments for the players.
- 99% of Freshmen games will be on Mondays.
- Sophomores and Juniors players will mostly play on Saturdays.
- Last winter and spring we started getting the players chocolate milk to sustain their bodies. With the change in school schedules, the players will have a hard time going home, eating, and getting back up to the school. Coach Crem put together USC Fuel Proposal, which includes chocolate milk, granola bars and additional items to put in their stomach. He would be responsible for purchasing the food and other supplies.
 - The money spent for last season's pregame meals can be reallocated to fund the meals for players before practice. There's a noticeable shift in the players and their performance with proper nutrition after school. The proposal will be forwarded to the Board for consideration.
- Coach may miss a few Boosters meetings due to JV B games and watching film on Monday evenings.
